

**Remarks**

This is responsive to the Office Action mailed August 14, 2006 in which the Examiner issued a restriction requirement under 35 U.S.C. §121 dividing the claims into four groups, namely, Group I including claims 1-17 drawn to a method of assembling a loudspeaker, Group II including claims 18-23 drawn to a loudspeaker, Group III including claims 24-30 and 35-39 drawn to a method of assembling a loudspeaker and the method for fabricating the moving assembly, and, Group IV including claims 31-34 drawn to an assembly for connection to the motor structure. Applicants have canceled, without prejudice, claims 18-39 in this application and request examination of claims 1-17 in Group I.

Respectfully submitted,

GrayRobinson, P.A.
